

Equine Riding Simulator

Adult

Leisure and Professional

Would you like to improve your position, balance or confidence on a horse? Are you coming back from an injury, a prolonged period away from riding or just want to have a go?

These 30-minute 1 to 1 sessions with a Duchy Equine coach will take you through all three paces and help to identify strengths and areas for development in your position as well as giving you the opportunity to ride different dressage movements.

The Interactive Dressage Simulator is popular training tool to advance the skills and confidence of equestrians at all levels; beginners and leisure riders, to the more advanced rider.
