

Introduction to Mixed Media in Art for Wellbeing

Adult

This course is delivered at Duchy College Rosewarne.

On this course you will explore a variety of mixed media, methods and techniques to produce creative artwork and develop your skills through observation and experimentation.

You will develop an in-depth exploration of 2D processes including collage, decoupage, and printmaking; 3D processes will include working with Papier Mache, soft sculpture using fabric, wire, string and wool, air drying clay, wire and plaster scrim bandage to create 3D sculptures.

The course will also include learning about the process of making paint from pigments of plants and minerals. We will be referencing a variety of mixed media artists.

The tutor will give you guidance to achieve your goals which you can adapt to make your own creations by considering design, form and function.

The Road to Wellbeing courses are relaxed and informal, designed to support your mental health and wellbeing. By building self-confidence and self-esteem, these classes offer a positive and welcoming environment. They're also a great way to meet new people and make friends. We offer courses suited to all skill levels and abilities.

Duration - 8-12 weeks – 1 day per week.

You will be expected to attend each week.
