

Extended Diploma in Outdoor Adventure Education

16-19

Would you like to work in the outdoor adventure sports industry?

Our Level 3 outdoor adventure sports course is the perfect opening course to start your career as an instructor.

This programme is all about immersing you in the outdoor industry and developing the essential and advanced skills that you will need to excel. Let us work with you to develop the key skills and qualities required to succeed in this exciting world of outdoor adventure education.

Practical learning in the outdoors, is the best way to success in this industry. Our course will have you learning outside the classroom, guided by highly experienced instructors and lecturers.

You will have access to all of the latest sports equipment and the best outdoor sports venues, coaches and lecturers in the county.

When you are in the classroom, you will be educated on industry leading guidelines on theory, safety and performance. There is no better place to learn than at Duchy College.

Our outdoor leadership syllabus covers

- Experience in a wide range of outdoor activities
- Developing your skills as a sports coach
- Leadership as an outdoor instructor
- Understanding the outdoor business sector
- Employment in the outdoor industry
- Managing risk
- Keeping people safe in the outdoors

In addition to understanding the essentials in this industry you will investigate;

- How the body and mind cope alongside adventure sport
- Fitness as a contributor towards personal development
- planning and delivering engaging outdoor activities, and
- Leadership styles to the most out of your clients.

When you're not in the classroom, our highly experienced instructors will have you out and about for a whole day of practical activity one day a week, throughout the academic calendar.
