

CPCS A09 Forward tipping dumper Experienced

Adult

Employer Training

The A09 CSCS Experienced Operator course, specifically the CPCS Forward Tipping Dumper Wheeled A09, is a two-day course designed for experienced operators of wheeled forward tipping dumpers seeking a formal qualification. It focuses on developing practical skills, safety awareness, and knowledge related to operating and maintaining these machines, culminating in a CPCS technical test.

The course covers topics like operating the machine to a minimum standard, site safety and efficiency, and preparing the machine for traveling on the public highway, among other aspects
