

T Level in Livestock Production (Agriculture)

16-19

T Levels are advanced technical qualifications, equivalent to three A Levels, that combine classroom-based study with practical industry placements. These qualifications are designed to equip you with the essential skills and knowledge needed for a successful career.

At Stoke Climsland, you have the opportunity to study a T Level in Livestock Production (Agriculture). This program provides a comprehensive understanding of the technical skills and techniques required for animal husbandry. You will learn about the breeding, rearing, and production of livestock to high standards, with a strong emphasis on welfare and safety. The course is ideal for both school leavers and students who have successfully completed a Level 2 qualification.

Stoke Climsland has a proud tradition of delivering high-quality land-based education. You will gain practical experience on a working farm, ensuring you develop the skills necessary for a career in livestock production and farm management.
